SUBJECT: RECEIPT OF POSTPROGRAM FOLLOW-UP (PPFU)

On July 1, 1998, the Job Training Partnership Act waiver was implemented to use California's base wage file (BWF) for Title III follow-up, excluding the National Reserve Account (NRA) projects. The Job Training Partnership Division (JTPD) is currently developing procedures for submitting all Title III terminations to the BWF for PPFU in the future. Additional information regarding this process will be provided to Service Delivery Areas (SDA) as soon as final arrangements have been made.

The PPFU extract program on the Job Training Automation (JTA) system has been modified with release 3.14.0. The PPFU process will extract only Title II and NRA grants. The SDAs not using the JTA system must modify the PPFU extract program.

The attached list shows the number of terminees JTPD forwarded to the University of California at Berkeley Survey Research Center for PPFU. The JTPD compiled the list based on the data submitted by SDAs on January 10, 1999, for Title II and NRA grants. We recommend that you immediately review these data. If there are any discrepancies in the data, please report them immediately, as this data becomes the basis for your follow-up performance standards.

If you have any questions about the total number of PPFU records submitted, please contact Sonja Kennedy of the JTA Customer Support Unit at (916) 654-7999. Please direct all other PPFU questions to Betty Lai of the Data Analysis Unit at (916) 653-1516.
